**Logistics Operational Guide (LOG)**

**This version of the LOG is the first inception; based on feedback, new insights, evolving best practices and developments the platform will be continuously updated. And as the content in the LOG is based on manuals and documents humanitarian organisations, academia and the private sector, the information flow might at places require tweaking and fine-tuning.**

**You are kindly invited to support further development of the LOG and share your suggestions and feedback with the team via: [hq\\_im\\_rome@wfp.org](mailto:hq_im_rome@wfp.org)**

### Collaborating Partners

**The Logistics Operational Guide (LOG) is developed by representatives of a wide range of humanitarian organisations, facilitated by the Global Logistics Cluster**

**Support Cell and WFP. The tool provides a collection of information such as best practices, templates, guidelines and standard operating procedures for logisticians operating in the field**
